

**APRIL 1 — 7**

**Garry and Anita Chambers, Mission to the World**

On April 4th we fly to Belize where Anita will spend a month assisting the clinic with several medical volunteers. Pray that Anita will be an encouragement to the clinic staff in logistics and in spiritual ministry and also ministry to patients. Garry will work on preparations for three summer short-term mission teams. Please pray our time will be profitable for the various ministries in Belize.

**Chris and Beth Matthews, Liebenzell, North Carolina**

On Wednesday April 7 we both fly to Spain, please pray for open doors to share the Gospel with fellow travelers along the way. Friday to Sunday we will share three teaching sessions at the seminary, Hope for the foundation, Hope for the family, and Hope for the future. Pray for the Spirit to inspire these talks for unity of the staff, board, and professors as they listen and ask questions.

**Josh Bixler, Lifeworkx, Colorado Springs**

April 12 & 13 Josh Bixler is leading a Lifeworkx event for a local church, Etz Khayim. Pray with him that the event would help the congregation to discover and love who God has made each one to be as well as unify them together.

**APRIL 8 — 14**

**Jack Dody, Equip Intl, Rush, CO**

Part of my ministry is sharing my experience with homesteaders and preppers. One of the best expos I've been a part of takes place in Kiowa, CO at the fairgrounds on April 13. Pray for good connections with people and the opportunity to share with them that God is in charge and that He will have His way. No matter what, we can rest in His everlasting arms!

**Kurt and Marlene Schimke, African Bible University, Uganda**

Pray for the details for the university's NGO (Non-Government Organization) Certificate to be quickly renewed so that many on our campus, including Kurt, can easily update their work permits this month instead of having to leave and re-enter the country just before graduation. Pray for the student mission to Palisa, that many will be impacted for the sake of the Gospel, and that the students will return safely.

**Doug and Mija Anson, Apologetics on Mission, Colorado Springs**

Please continue to pray for the AoM leadership team as we are honestly overwhelmed with the doors the Lord is calling us to step into. Pray for discernment, more AoM volunteers, and provision to say YES to these opportunities to raise Christian defenders globally!

**APRIL 15 — 22**

**Richard and Robyn Crane, Mission to the World, Lutz, FL**

Praise God for His provision of property for a new church plant in Havana, Cuba. Pray that there will not be opposition from anyone and that the community there will see the love of Christ in the lives of these church planters as they relate to and serve them. Continue to pray for our brothers and sisters in Cuba who struggle to get medicine and put food on the table daily.

**Dan and Becky Young, Mission to the World, McAllen, TX**

We thank you for your faithful support and prayers for us! God is reminding us that He has given us a calling to serve on the border for a few more years yet. I have experienced changes in health, with a diagnosis of Parkinsons. We give thanks for improvements in health for both of us and pray that God will continue to use us for His glory. Becky is committed to serving Bible Study Fellowship again this year.

**Calvin and Geeta, Mission to the World, Asia**

We have helped to mentor more than 30 interns who have served with our congregation and prepare them for church leadership. We are thankful for the opportunity to work with future leaders by teaching in the Seminary, and then continuing to mentor Seminary graduates in the internship program. Our congregation has planted a couple of new congregations in our area, pray for wisdom and guidance.

**APRIL 23 — 30**

**Jonathan and Caroline Clark, RUF, UCCS**

Please pray for the Spirit to restrain the Evil One in his attacks on RUF in Colorado Springs, pray for my spiritual and physical encouragement, pray for my student leaders to press into hard places and lost people with love and grace, pray for the many hard situations we are engaging in, that the Gospel would shine through with power and beauty and truth.

**Rodney and Rana Davila, Mission to the World, El Salvador**

We are hosting 2 Vision Trips in May and October with the purpose of exposing people/churches to our Vision and Values, our growing team, El Salvador's culture and food as well as praying actively with us for what God is doing and will do in this country. Pray people will consider coming in order to connect better with our ministry.

**Terie Kilgore, The Navigators, Colorado Springs**

This summer my office will host an 8-week training program for students from around the world. Most of the students are from outside the US. They will study the word together and receive discipleship and leadership mentoring. A big request is that they receive the visas they need to enter the US. Many times the visas are denied due to their nationality. Ask God to bless this time of next generation training.
