

## APRIL 1 — 11

### **Village Seven Missions Conference April 18-19**

Our theme this year is *Reaching the Next Generation with the Gospel*. Pray our weekend will show us how the gospel is impacting the next generation around the world. Pray all attending will be encouraged to invest intentionally so the next generation may know Christ, live out the gospel, and boldly share it with others. Pray the weekend will be well-attended.

### **Luke and Sarah DeBoer, The Navigators, Puerto Rico**

Ask God to do more that we can ask or imagine (Eph. 3:20) with students having the eyes of their hearts enlightened with wisdom and revelation in the knowledge of Him (Eph. 1:17-19) as we study through the book of Ephesians this semester. Pray for Luke as he directs the planning of the Caribbean Navigators staff conference in June in the Dominican Republic.

### **Jonathan and Caroline Clark, RUF, COS**

We have identified 12 students we are pouring into and named 2 specific theological and personal growth areas for each. Ask the Holy Spirit to work and these students to respond. Pray for energy to finish the semester strong for the students, my staff, and me. Pray for the development of community in and among our students.

## APRIL 12 — 18

### **Dand and Becky Young, Mission to the World, McAllen, TX**

Please continue to pray for all our local border PCA churches. Pray also for La Vid church in Laredo, as they are looking for a new pastor. Pray for me as I continue to preach once a month at La Vid to help supply the pulpit. Pray for my Tuesday night Bible class in the Poetical and Wisdom books.

### **Dave and Dawn Diaso, Mission the World, Mexico and Cuba**

These continue to be challenging days for our Cuban familia, yet God's presence is shining even in the darkness. The Spirit is strengthening His people to stand firm, and we want to come alongside them—to be part of what God is doing right now. Prayers for God's provision for daily food and basic needs, peace amid fear, and hope amid despair.

### **Kurt and Marlene Schimke, African Bible University, Uganda**

Praise God for our son Nick being chosen for the MK (missionary kid) scholarship at Liberty University! Pray for continued progress in his health & energy levels. Pray for us as parents, for wisdom to channel our children's interests toward God-honoring choices. Praise for the funding to make some needed and necessary repairs and maintenance for our house.

## APRIL 19 — 25

### **Joe and Sheryl Goll, International Students, Inc., Mesa AZ**

Please pray for two Vietnamese gals from strong Buddhist families who are both ambivalent in what they believe. God has given us favor and influence in their lives but their interest in spiritual things is lacking. Pray that the Holy Spirit will reveal Christ in their lives that they will begin to move towards Him.

### **Calvin and Geeta, Asia**

We are very pleased at the ongoing response to the monthly prayer gathering that we started in our neighborhood last summer. Praise God for the engagement of our daughter, Karuna, with Davis! Pray that they will have God's guidance in planning their wedding for later this year. Karuna will graduate with her Master's degree in May.

### **Luke and Sarah, North Africa**

Many non-believers are sending messages to our ministry Facebook pages, and every day our staff and disciples are getting opportunities to share the gospel with them. Please pray that many seekers will trust in Jesus and that our staff and disciples will be faithful. We baptized five new believers recently; pray they will continue to grow in faith.

## APRIL 26 — 30

### **Jan S., Mission to the World, North Africa**

Please pray for my Ivorian colleague, Aurelien, who is trying out a new AI video-dubbing service to get a second video course dubbed into French. We are very hopeful about the potential of this new technology! Pray for the hearts and minds of students and pastors I recently taught in Togo. Pray they will be convicted to accept the new, but Biblical teaching.

### **Joe and Kelly, currently in seminary in St. Louis, MO**

Pray for the church in the Middle East to continue growing in the grace and knowledge of Christ, increasing in love for one another and their neighbors, even in the face of daily persecution. While we're still in seminary, we ask for prayer to help us balance studies, health, and time for our kids and marriage. Pray for our preparations to return to the field.

### **Frank Sindler, Equipping Farmers International, Chattanooga, TN**

Each month our staff and supporters come together on Zoom to pray for the work God is doing through EFI around the world. This month we prayed specifically for upcoming trainings across several regions, asking the Lord to bless the farmers, churches, and leaders who will be participating.
