

AUGUST 1—8

Frank Sindler, Equipping Farmers Intl., Chattanooga, TN

Pray for our upcoming Staff Training this month: for wisdom, energy, and smooth logistics as our internal teams prep for localized field pilots. Pray for the farmers: that they would not only see their soil healed and crop yields multiply, but most importantly that their relationships with God, their families, and their land would be deeply restored.

Kurt and Marlene Schimke, African Bible University, Uganda

Pray for the countries still dealing with the Ebola outbreak and for Uganda to be cleared soon from any related concerns. Pray for ABU Students to be ready to return to classes soon, for another large entering first-year class, and for the Lord to meet the needs of each student. Pray for governmental approval of new ABU programs, including Diploma ones.

Dave and Dawn Diaso, Mission to the World, Mexico and Cuba

As *Hospital de Fe* continues to grow in Oaxaca Mexico, this month they hope to officially organize as a congregation within the National Presbyterian Church of Mexico. Join us in praying for Pastor Eliel and Jessica as they shepherd the church; continued spiritual growth and unity within the congregation; more people in Oaxaca to come to faith in Christ.

AUGUST 9—15

Rodney and Jana Davila, Mission to the World, El Salvador

We had 47 show up for our July 4th event which marked a year for us hosting monthly events. Our purpose in these events is to build trust and community while at the same time communicating our purpose for being here. Please pray for us to follow up well with those that expressed interest in Bible studies and further conversations.

Joe and Sheryl Goll, Intl. Students, Inc, Mesa, AZ

One of our former students who committed her life to Christ has been a light to her family and community in Indonesia. After eight years, she is returning to get her master's degree at Ohio State University. Pray with us for her getting settled into her housing, to find good friends, fellowship, and church. We hope to see her a few times during her two years of study.

Gary and Anita Chambers, Mission to the World, Caribbean region

Continue to pray for Haiti and Cuba as they face political and economic turmoil. The gang situation in Haiti needs much, much prayer. Ask God to build His Church even in the midst of hardship. Do continue to pray for God to call men (and supportive families) to serve as pastors in Haiti, Belize, and throughout the Caribbean.

AUGUST 16—22

Luke and Sarah, North Africa

In just the past 2 months, 7 new people have trusted Christ, and God is raising up new workers. This summer, we approved 2 new North African interns, and we expect 10 new American interns to come in September. Pray with us that God will continue to raise up new long-term workers for North Africa. The harvest really is plentiful, but the workers are few.

John J., Central Asia

Pray for my language learning journey. It has been challenging. I get discouraged more often than I'd like to admit. When I do, I come back to Romans 10:14. How will they hear without someone to tell them? I also am encouraged because I know I am being prayed for.

Dan and Rachel Culbertson, Cru, Hungary

After 15 years serving in Russia and Hungary, there is a possibility we might be able to pursue purchasing a house. We are currently thriving in small apartment living, and God faithfully provides all we need. But we look forward to ministry and hosting events in a house with more room. Ask the Lord to provide once again.

AUGUST 23—31

Jeff and Jen Kreisel, Reformed University, Air Force Academy

Pray for our cadets as they navigate the stress and rigors of USAFA life and the consequent temptation to de-prioritize their faith. Also, please pray for our staff team as we faithfully strive to reach and equip cadets with the gospel.

Luke and Sarah DeBoer, The Navigators, Puerto Rico

Pray for the students we've connected with so far to commit to a weekly time of Bible study for personal growth and establishing. Pray for unbelieving students from the spring semester to be willing to continue to read the Bible with us – and to invite their friends. Pray for those who have trusted Christ recently, to be established in their new walk with Jesus.

Dan and Lisa Bridges, The Navigators, Middle East

Pray that the small groups of unbelievers we are studying with would become small bodies of believers! That God would use Dan and Lisa in the international church to bring expats into His kingdom, to raise up laborers for the harvest field, and to encourage people who are already laboring.
