

JULY 1—11**Amy Beth and Adam Barlow, Third Story, Inner City Denver**

Continue to pray for the Summer Bible Clubs in July. Our program provides neighborhood kids a safe place to hang out, have a healthy snack, and learn about their part in God's plan. We play games, do crafts, and compete with our teammates to try to be the summer champs! We're learning about God as we study the life of Moses, an O.T. hero.

Darren and Allison Terpstra, Mission to the World, Preparing for Thailand

Please pray for protection against spiritual warfare for our family as we pursue God's call. Pray for strength and physical protection in Allison's pregnancy. Pray for our support-raising efforts (we're at 50%). Please pray with us that God's Spirit would move among His people in Bangkok, that they would see, believe, and follow Christ.

Dave and Dawn Diaso, Mission to the World, Mexico and Cuba

As God is moving powerfully in Mexico and across Cuba, pray for new churches being planted in unreached areas, leaders being trained, and families being disciplined. Pray for the children who are being blessed with toys, school supplies, and the gospel through Hannah's Toys of Hope. Pray for the families in need who are receiving food and supplies.

JULY 12—18**Frank Sindler, Equipping Farmers Intl., Chattanooga, TN**

It is difficult to talk about hope when families are wondering how they will eat tomorrow. Through our agricultural and spiritual training, pray that churches will become known as places where families find both hope and help. Pray that communities will look to the local church not only for spiritual guidance, but for practical solutions that help them flourish.

Kurt and Marlene Schimke, African Bible University, Uganda

Pray for safety in our travels while in the U.S. this summer. Pray we would be a blessing to Marlene's parents (both in their early 80s). Pray for ABU students while on break from classes, that they would remain faithful and find ways to minister to others and that the Lord would keep them safe as some go back to hardships in their home areas.

Andy and Megan Engebretson, Engineering Ministries Intl., Colorado Springs

Andy was recently at the Minga Mission Hospital in Zambia, where his team trained the maintenance staff to use a new solar power system so the hospital can continue delivering excellent health care to the community it serves. Pray the light of Christ would shine brighter throughout this region through this new source of power for the hospital.

JULY 19—25**Joe and Sheryl Goll, International Students, Inc., Mesa AZ**

This past school year we came alongside a Japanese church that wanted to have an outreach to Japanese students at ASU. We met with the leadership to help them think through their objectives and strategies. They did a very good job. We have 3 new Christians in the Kingdom of God. Let's pray for their growth in their new faith.

Dan and Becky Young, Mission to the World, McAllen, TX

We will be taking a sabbatical this summer, July through Labor Day. We will be spending time away from the border and the ministry to pray, read, and reflect on our time here and on what our continuing ministry looks like in light of Alzheimer's (Dan). Please pray for this time to be refreshing, renewing, and insightful.

Andy and Grace MacLean, ACCTS, Colorado Springs

We recently had an event where we hosted young military officers from Ecuador, Ghana, and Romania in Colorado and equipped them to have kingdom impact in their respective militaries. Pray for an effective, lasting impact in their lives and personal ministries. Pray also for our preparations for a South American regional conference in September.

JULY 26—31**Norm and Sue Patterson, Legacy Coalition, Olathe, KS**

Our role has expanded to global partner liaison and support. This means we'll be investing more intentionally in leaders worldwide. Our primary focus will be Central and South America to equip grandparents. Please pray for open doors, strong partnerships, clear communication, and sustainable growth across these nations.

Jan S., Mission to the World, France

She recently spent a week in Ivory Coast with 22 pastors teaching a Biblical Worldview course. She was awed by what the Holy Spirit was revealing to them. She was very sobered by the realization that the challenges to the gospel in the evangelical churches in Africa are far more serious than she had previously imagined. Pray for the churches there.

Esaie and Natacha Etienne, Mission to the World, Haiti

Pray for a spiritual renewal amongst our church leaders in Gonaives as they face many challenges. Pray for peace, security, and political stability in the country of Haiti. Pray for Esaie and Natacha to be renewed daily by the love and grace of the Lord so that they may remain faithful in His service.
