

JUNE 1—6

C. and G., South Asia

Our future seems uncertain. The authorities are investigating us for being involved in religious activities through some false accusations that were made about our work. Please pray that the authorities will realize this report is false and will not take action against us. We have been advised to stay in the States until the investigation is complete. Please pray.

Kelly and Kate Mulholland, Cru - Agape Ireland, Ireland

We will be in Spain for two months, leading four different groups on the 80 to 100-mile Camino pilgrimage. The first three groups are assorted in age, with the majority being 50 years old and older. But our fourth and final group will be with 18 college students from Ireland. Pray that Kelly's back, hip and leg will heal; he's enduring a lot of pain.

Amy Beth and Adam Barlow, Third Story, Inner city Denver

Summer Bible Clubs - June and July. Our program provides neighborhood kids a safe place to hang out, have a healthy snack and learn about their part in God's plan. We play games, do crafts and compete with our teammates to try to be the summer champs! We're strengthening friendships and learning about God as we study the life of an O.T. hero.

JUNE 7—13

Nick Imperato, Equipping Leaders Intl., Colorado Springs

June 19-July 5, I'll be traveling to Tharaka-Nithi, Kenya, with a group that includes Bryan Chapell (who will be teaching through his book Christ-Centered Preaching) as we seek to equip church leaders. Please pray that the training strengthens pastors in preaching Christ, and for my fundraising, passport processing, and travel logistics.

Darren and Allison Terpstra, Mission to the World, Preparing for Thailand

Ask God to bring revival to Thailand, that He would save His people there! Pray for protection for our family as we seek partners and prepare to move. Pray for the newest baby joining the family in September! For safety and strength for Allison, for Darren as he supports Allison, and for little sister Ember as she learns to be gentle and to share!

Luke and Sarah, Cru, North Africa

For the next 3 months, we are going to focus on this goal: Set the Example of Following Jesus to Make Disciples who Follow Jesus. Please be praying for the 31 staff, interns, and volunteers who work with our ministry to be faithful to Set the Example of Following Jesus and that we would continue to see fruit as we make it a priority to make disciples.

JUNE 14—20

Chris and Beth Matthews, Liebenzell, North Carolina

During the week of June 21 to 27, Chris and staff members will be in Oaxaca, Mexico for ministry. Pray that God would cause great rejoicing as three mountain village churches come together for worship and ministry on Saturday. On Sunday, our team will ride to poor villages in the mountains near Oaxaca to minister the Gospel among indigenous people.

John J., Asia

Pray for Alex and Max. Pray the Lord opens doors to continue building these new relationships. Pray for more opportunities to share the Gospel with Ted and Oliver. They seem open to it but always pull back when I press in. Pray for continued grace in language learning. It's been challenging but it allows me to continually lean on the Lord for His grace.

Joe and Sheryl Goll, Intl. Students, Inc., Meza AZ

About a month ago many of our former students from China surfaced online. Not all, but many of these students are Christian. We're not sure why they disappeared (we suspect the government) but they're back. It is so good to hear from them again. Pray with us for them; boldness, safety and protection, assurance, and conviction in the Holy Spirit.

JUNE 21—30

Jeff and Candy Campbell, Novo, Spain

Please pray for a recent international group that came for a retreat for first-terminer missionaries. Pray they will continue to experience healing and hope as they process the highs and lows of their first term. Research says this is the most vulnerable time in a worker's career. We want to provide stability and space to process for each of them.

Brian and Sheryl Roby, Mission to the World, Scotland

Praise for the approval of our visa extensions. We are now approved to be in Scotland until February 28, 2027. Praise for all the young families, and a Sunday school with 10-12 children regularly attending. Praise for the good turnout for our outreach course with a dozen attendees. Pray for the salvation of unsaved spouses of church members.

Garry and Anita Chambers, Mission to the World, Caribbean Region

Continue to pray for Haiti and Cuba where the political and economic situations make life very difficult. Both countries face dire food, fuel, and medicine shortages. Gang violence in Haiti remains out of control. Also, ask God to raise up new pastor and ruling elder candidates for Haiti as some leaders have left the country due to the country's strife.
