VILLAGE SEVEN
MISSIONARY PRAYER CALENDAR

NOVEMBER 1 —7

Joe and Kelly, Europe, Reaching Muslims
We arrived safely in our new country and have secured an apartment in an ideal neighborhood for ministry and transportation! We received warm welcomes from the church here and from other missionaries and church planters. Please pray for Kelly's health through the move and for establishing good care here in the city.

Jamie and Jen Burkepmer, Mission to the World, Spain
Please pray for a Spanish student and his friends who are coming to faith, that they'd be rooted in God's Word and in a church family. Pray that our "First-Sunday" gatherings will become a real place of welcome for searching hearts. Pray also that the Lord will provide all we need to stay in Spain believing He is using us to build His church in Madrid.

Frank and Cindy Sindler, Equipping Farmers Int'l, Chattanooga, TN
Thank God for our new Oral Curriculum: development was completed and we are starting in-house pilot training in Africa, Asia, and Latin America, expanding vital access for millions of oral-learning farmers. Pray that our travels to upcoming U.S.A. and international events spark deeper commitment to kingdom work.

NOVEMBER 8 — 14

Dan and Lisa Bridges, The Navigators, Middle East
In the fall of 2021, God opened a door for us to begin studying the Bible with some college-age Muslim people in a Palestinian refugee camp. God is doing a new thing! Under the leadership of a local church, God has put together a coalition of believers with the vision of seeing the gospel planted in this camp! Pray for the spiritual and administrative hurdles.

Larry and Mandy Wilkes, Mission to the World, Cheltenham, England
Please pray for the health of our Member Care Team as we seek to serve our missionary community in Europe: one with serious long-term health issues, another recovering from a serious heart attack. Larry himself has some health concerns. Please pray for the many appointments and for restoration to full health. Also, that we would be settled in a home.

Kurt and Marlene Schimke, African Bible Colleges, Uganda
Praise God for recent student testimonies that highlight God reaching down and saving the lost for His good purposes. Pray for the Ebola situation in East Africa to end soon, because this continues to have secondary effects for us in Uganda. Pray for new missionary families to join us on the faculty for ABU soon. We need more staff!!

NOVEMBER 15 — 21

Kelly and Kate Mulholland, Agape Ireland, Dublin, Ireland
For our university ministry, pray for repeat encounters with students on campuses, so that trusting relationships may develop, which in turn provides fertile soil for gospel seeds to be planted. Please pray for our new student leaders to be filled with a burden for their classmates, and to act on it.

Esaie and Natasha Etienne, Mission to the World, Haiti and Dominican Republic
Pray for the three churches and school in Haiti. Pray that God will supply the financial needs of the churches and the school. Also pray for Esaie as the political, economic, and gang crisis in Haiti make his trips to Haiti more difficult. Pray for wisdom, strength, and perseverance. Ask God to raise up more leaders for the churches.

Brian and Sherly Roby, Scotland
Pray for our Christmas Event in Elgin, November 25-27. Pray for enough workers and that the schools would fully participate and that the gospel would be clearly proclaimed and received by staff and students alike. Join us in prayer that God would bring us through a number of recent hardships, and that we would be strengthened and His work advanced.

NOVEMBER 22 — 30

Garry and Anita Chambers, Mission to the World, Caribbean region
Ask God to call more missionaries to serve in the Caribbean. Also pray that God would call young men from the Caribbean to pastoral ministry! There will be a critical shortage of pastors to serve throughout the Caribbean in the coming years. Ask God to raise up younger leaders as some of the current leaders are reaching retirement age.

Dan and Becky Young, Mission to the World, McAllen, TX
We thank God for the restful and refreshing sabbatical opportunity that we experienced this summer. Please continue to pray for our border PCA churches. Several need full-time pastors. Keep praying for our friends in our Parkinson's support group as we seek to share Christ in our lives, who gives hope and strength to deal with the varied impact of PD.

Jonathan and Caroline Clark, RUF, Colorado Springs
What a rush it has been since we launched the Fall semester. Large Group started strong and has only gotten stronger. Our student leaders stepped up in a big way to inhabit our RUF 8 cultural values and welcomed total strangers and friends alike back to RUF. Our worship team continues to mature both musically and in leadership. Praise God with us!
