

SEPTEMBER 1 — 12

Victor and Nosizo Nakah, Mission to the World, Sub Saharan Africa

During the first week of Sept., Victor will facilitate a two-day strategic planning with Bulawayo Presbytery. Pray that he will help them come up with the three most urgent things to work on in the next six months that will help the Presbytery move forward. Pray for Nosizo and Eva as they visit the different churches to encourage women leaders.

Darren and Allison Terpstra, Mission to the World, Preparing for Thailand

Ask God to bring revival to Thailand, that He would save His people there! Pray for protection for our family as we seek partners and prepare to move. Pray for the newest baby joining the family in September! For safety and strength for Allison, for Darren as he supports Allison, and for little sister Ember as she learns to be gentle and to share.

Luke and Sarah DeBoer, The Navigators, Puerto Rico

Pray for the rain needed for Puerto Rico and the Caribbean, so that people have water, the planned water interruptions can be lifted, and that the university can resume normal in-person operations (there is a delayed start). Pray for God to grow our CORE Team into consistent disciples of Jesus and to use them to reach other students this fall semester.

SEPTEMBER 13 — 19

C & G Taylor, Mission to the World, Asia

Due to serious persecution, they were delayed in returning home after a visit to the States in June. They write: We are happy to be back home! Please continue to pray for all kinds of protection, including good health, as we are in the middle of the monsoon season. We are greatly encouraged by God's faithfulness in the midst of uncertainty.

Brian and Sheryl Roby, Mission to the World, Scotland

We are praising God for a wonderful, safe, and gospel-filled Holiday Bible Club (VBS). Several families have begun attending the church as a result. Please pray for the continued growth of Elgin Free Church – there is still a ways to go to meet our vision and goals. Pray for musicians to join our worship (guitarist or keyboard).

Jonathan and Caroline Clark, RUF, UCCS, and CC

Pray we can meaningfully meet 200 new freshmen students; pray we can continue to develop our weekly Large Group worship team; pray we can run 4-5 small groups with new students; and pray we can increase our ministry on Colorado College through two open doors before us.

SEPTEMBER 20 — 26

Kelly and Kate Mulholland, Agape Ireland, Dublin

Finally, after eight months trying to go through all the steps to be able to be eligible for a mortgage in Ireland, we're finally ready to attempt to buy something. We desire a place that is well fit for ministry and provides a life-giving space for all who visit. Pray the Lord would lead us to the perfect little place and that He would lead us through the process.

Garry and Anita Chambers, Mission to the World, Caribbean Region

Please be praying for the Presbyterian Medical Clinic in Belize as their well-liked physician, Dr. Rodriguez, resigned due to health concerns. They are actively seeking to hire a new physician to replace her. Ask God to supply a Belizean Christian physician. Pray for nurse Elaine Welch as she serves at the clinic until November.

Marcus and Heather Rudd, Mission to the World, Missions, TX

Come October we will complete our 10th year serving as missionaries at Isaiah 55. It's hard to believe. Starting this month through the new year we will be taking our second time of sabbatical. Our last sabbatical coincided with the Covid pandemic, so we are hopeful that this upcoming sabbatical proves more restful and less eventful than the last!

SEPTEMBER 27 — 30

Joe and Sheryl Goll, Intl. Students Inc., Mesa, AZ

Warm Welcome is what we call our first event in welcoming international students to ASU. We expect several hundred to attend. This is a great time to make initial connections, hoping they morph into long-lasting relationships for evangelism and discipleship. Please pray with us for this event and that many good relationships can be established.

Kurt and Marlene Schimke, African Bible University, Uganda

Praise God for 20 years of ministry in Uganda, and for using you, through us, to impact the next generation of believers in Africa for Christ. Praise for the 70 new students at ABU this semester! We ask the Lord to provide for teaching staff and campus needs as we continue to grow and expand.

Larry and Rita Sherbondy, The Navigators, Carlisle, PA

Here at the U.S. Army War College, for the past 15 years, we help elite, military leaders to see the connection between loving Jesus and loving people; that they learn to lead their families and their troops like Jesus leads – as a "good shepherd." Another group begins this month. Pray they will prioritize these lessons in discipleship and leading like Jesus.
